SNOW +FIRE +EMS

It's never too soon to talk about snow. State law prohibits the township from plowing private streets. Talk to your neighbors **NOW** about making winter plowing arrangements. EMS and FIRE cannot reach a house or a resident if streets and driveways are not plowed. Please help us to save a life or a home during the winter.

RECENTLY AWARDED GRANTS

The township received a grant for a Zoll AED from the **Ottawa County Community Foundation**. Every police vehicle now carries a portable AED.

The OSS Joint Solid Waste District awarded the township a grant for a large recycled material identification sign for the front of township hall. We are very grateful to both organizations for their funding.

FOR RESIDENTS: If you have interest or would like information about serving on one of our zoning boards call Kathryn Dale at (419) 734-6120 or email: zoning@danburytownship.com. Danbury Township must be your residence of record for you to be appointed to a board.

Land Use Plan Update

Our township's Land Use Plan is scheduled to be updated in 2017. This is a long process so we are beginning now. We will ask for your input through surveys and public meetings. A committee will be established to work through the process. We need citizen-at-large members who have interest in assisting.
