##### **If yes, what?**

- Parks/Recreation are especially important during tourist season - access to walking/biking areas & a bike trail.
- If bringing in business, year-round, full time, why vote down the legal marijuana program? Little chance we would have gotten it, but sends the wrong message.
- Keep working with ODOT! 269 Interchange and Englebeck/163 are too dangerous!

#### 7. Are there any changes to the proposed Land Use Map you would like to see?

Yes	3
No	1
N/A	1

##### **If yes, what?**

- Bike Path - needs parking area. Bike Path - adjoin Meadowbrook
- Hanks Place between Rte 2 & Old Bridge/Fishing Peir should also be included in Park Expansion
- Do a study on the old rail line to see if it is possible to convert portions to a "Rails to Trails". There is Federal grant \$\$ to help with this I think.

### 8. Additional Comments:

- a.) I agree with Map #4 (Strong/Weak Places) We need bike paths T 2.4 & T 2.5. Some places on Englebeck need to be fixed up re: H 1.2 & H 1.3. Is a trailer park considered residential housing? Thanks for the goodies!
- b.) Hopefully this type of planning can also happen with the Village of Marblehead.
