

Guided Walk at Meadowbrook!

Join Dianne Rozak at Meadowbrook Marsh on Saturday, May 19 at 12:30 p.m. We'll search for and identify migratory birds and spring edibles. Binoculars are helpful for birding. Dress for the weather and wear waterproof shoes or boots.

This will be a QUIET walk at a snail's pace!

Parking is very limited at Meadowbrook so consider carpooling from the Dempsey Access lot.

**Meadowbrook Marsh is located at
8577 E. Bayshore Road in Danbury Township.**

The walk will be conducted rain or shine but not if we are experiencing thunderstorms, heavy downpours or severe weather.

Call Dianne if you have questions: (419) 798-4071.
