

There are over 2,605 fallen veterans buried in our Catawba, Johnson's Island, Marblehead, and Port Clinton cemeteries. In recent years, not every veteran in our area received a wreath because we couldn't raise enough money. We would love to have the ability to place a wreath on each and every grave, but we can only reach our goal with your sponsorship. Please consider helping us reach our goal of \$26,000. We are asking area businesses and community leaders for a tax deductible donation.
