that a college-aged daughter of one of the other co-owners is occupying the one unit this summer while working locally. When the property was posted 05.13.21, there was no one in either of the units. Received another complaint from someone different indicating fisherman were on the property at the time the message was received. I immediately drove to the property to observe, and again, there was no one on the property. Dianne has received concerns too regarding this property and the noise. The complainants have been advised to contact the police regarding noise. 06.18.21 Outreach has been made with the prosecutor's office. Conference call was held 06.21.21 with the Prosecutor's office to discuss next steps. We received email and phone call complaints again over the 4<sup>th</sup> of July weekend regarding the continued renting of the units at this property. Advised the complainants that it was actively being pursued with the County Prosecutor's office. Prosecutor's office was supposed to conduct a knock at the property the weekend of 07.10.21 but did not, so they are filing charges based on inquiries made on availability. Complaint was filed with Municipal Court on 07.20.21. Case # CRB2100684A. Arraignment Hearing scheduled for 08.18.2021 @ 8:30am. Received a phone call from Rich Gillum 08.06.21 who will apparently be representing the defendant and indicated that they may waive arraignment and ask for a bench trial. 08.12.21 Defendant entered written Not Guilty Plea, filed a request for discovery, to waive arraignment appearance and requested a pre-trial and jury. Arraignment for 08.18.21 was cancelled.

### **5644 E. Harbor Road (Illegal residence – Former Shepherd Canvas)**

#### **Open**

This is not an illegal rental in the traditional sense of short-term. 09.01.21 the CBO and myself inspected the former Shepherd Canvas per the request of a tenant. The shop at the back of the property has been converted illegally into an apartment. Certified letter was sent to the property owner 09.07.21.

### **ILLEGAL CAMPERS/TRAILERS:**

#### **9438 E. Bayshore (Campground Expansion w/out approval – Somodi)**

#### **JUNK VEHICLES:**

##### **248 Erie Beach (Junk Vehicle – Richard)**

##### **Open**

Bench trial has been scheduled for September 13, 2021, at 3:30p.m.

Prior Info: This is a repeat offense. A new complaint was filed with the Ottawa County Municipal Court on 07.29.21 for having 2 junk vehicles on the property. Case # CRB2100741A&B. Arraignment Hearing scheduled for 08.18.2021 @ 8:30am. A similar complaint was filed in 2020 but eventually dismissed because the vehicles were running at the time and moved from their stationary positions on the property. At the arraignment hearing 08.18.21, the owner pled Not Guilty which kicks the case into a bench trial before the Judge, to be held September 13, 2021, at 3:30p.m.

#### **TALL GRASS:**

##### **1935 Ellsworth (Tall Grass – Brown)**

##### **Open**

This is the property where the owner is deceased, the family is not probating his property and it's not delinquent enough in taxes and will be an on-going issue for us. We abated it back in June and said the most we would cut it is twice a year. Resolution is enclosed for your consideration.

##### **2307 & 2308 S. Danbury Station Road (Tall Grass – Danchisen)**

##### **Open**

Certified Letter sent to property owner 09.07.21. Grass is knee high.

##### **325 Forest Green (Tall Grass – Walterbach)**

##### **CLOSED**

Owner called 08.24.21 and indicated he had a landscaper coming in to take care of the overgrown vegetation, so a resolution for consideration was tabled. I don't think that a landscaper ever really came in, but the overgrowth is better than it was. I asked Trustee Rozak to look at it too and give me her opinion because it's borderline in my book. Will be closing this case for now but will likely be a repeat issue.

September 8,

Prior Info: Certified Letter sent 07.13.21. Owner received 07.21.21 and will have until 07.28.21 to cut the weeds & grass. As of 07.28.21 an attempt was made but only by a weedwacker and in the front yard. 2<sup>nd</sup> Notice sent 07.29.21. Owner called 08.03.21 and asked for more time because he works 12-14hr. days. Agreed to recheck 08.10.21 and as long as he's making progress, then will extend him more time. Upon reinspection 08.10.21, owner had made some attempt to get the front-yard cleaned up and rear yard. Told he has until 08.24.21 to get the junk outside the shed cleaned up and the rest of the vegetation taken care of. If it's not, then he was told a nuisance resolution would be presented. As of 08.18.21 the grass is high again and no attempt has been made to clean up the junk and debris on the property. As of 08.24.21, much of the junk outside of the shed has been better "organized" but there is still quite a bit of rubbish around and the grass & weeds are not being kept up with.

### **7291 Applewood (Tall Grass – Huddleston)**

#### **Open**

Owner called 08.07.21 and left a message for her to return my call.

Prior Info: Certified Letter sent 07.13.21. Being returned with no forwarding address. Property was posted 07.21.21 because it was confirmed that a woman & child are living in the home. Will have until 07.28.21 to remove weeds & tall grass in rear yard. Letter also asked them to address their dilapidated fence. Occupant called 07.27.21 and stated she is on land contract to purchase the property. Discussed getting the grass & weeds dealt with over the weekend of 07.31.21 and will check back in by 08.06.21 to give her a chance to look into options for the fence. Upon reinspection 08.06.21, grass and weeds have all been addressed and there is a small dumpster on the property for other clean-up. Will recheck with occupant after Labor Day to see when fence repair will actually take place. Contractor told her he couldn't do it for 3-4 weeks.

### **2354 N. Buck Rd. (Tall Grass – Schneider)**

#### **CLOSED**

Complaint received 08.20.21. Owner called and said he'd have it taken care of 08.23.21. Certified letter sent to owner 08.24.21 because grass/weed were not cut. As of 08.30.21 grass had been cut.

### **CONSTRUCTION WITHOUT PERMITS:**

#### **9094 Northshore Blvd. (Wall Signage w/out Permit – Lakeside Yacht)**

#### **Open**

The owner has filed a BZA application for a variance and is scheduled to be on the BZA's September agenda.

Prior Info: Owner was contacted 08.17.21 about new wall signage added to the building without proper permits. Upon receiving their application, the signage exceeds what is allowed and a variance needs to be pursued. All paperwork has been given to the owner to complete and submit.

### **FISH OFFAL:**

#### **389 Channel Grove (Fish Offal – Channel Grove)**

#### **CLOSED**

No further complaints received. No noticeable smell when I've been thru the neighborhood or on the property.

Prior Info: Caller complained late Friday 07.16.21 regarding fish offal smell. Dumpsters are in the Boat Storage area off Roanoke. Initial inspection did not reveal any smell, but multiple plastic garbage bin totes were visible with flies and signs of use for fish guts. A Certified Letter was sent to the owners making them aware that it can be determined to be a nuisance and that common practice is to freeze the remains until garbage pick-up day.

### **OTHER:**

#### **9268 E. Bayshore – Former Otay's**

Follow-up on prior questions about the old Otay's/Bayshore Market. Back in August I spoke with the owner who indicated that they would submit updated plans to me by September and start construction October/ November. They have an active permit out for improvements but are now changing the theme of the restaurant/bar. They have also had a change in ownership/partners & investors, which has led to some of the delay. They hired someone to cut the grass on the property, which is supposed to be happening on a bi-weekly basis. 09.07.21 I followed-up with the owner who said they are now receiving their final drawings September 20<sup>th</sup>. By early to mid-October those plans should be submitted to me for review, and they are shooting for November 6<sup>th</sup> or 8<sup>th</sup> for the start of construction to commence. I told him the grass will likely need to be addressed soon and asked that he specifically tell the lawn service company to address the weeds in the started foundation pit.
