VIOLATIONS/COMPLAINTS

Illegal Rentals:

None at this time.

Illegal Use:

None at this time.

Junk & Debris:

4625 E. Bayshore Road (*Junk & Debris/ Garbage - Zivkovic*)

Open

I ended up filing a complaint with the postal service regarding the lost letters. The one that was resent 02.16.24 was finally delivered 03.01.24. The owner called that day to say that her daughter with special needs children is living in the house and she herself was in Cincinnati/ NKY tending to her ill mother. Told her we would work in-tandem with the General Health District. Health District was scheduled to reinspect the property the week of March 4th and were going to report back their findings.

Prior Info: Ms. James received an anonymous phone call from someone 01.26.24 concerned about the amount of garbage bags being dumped on this property between the two accessory buildings and visible from E. Bayshore/ State Road. While we typically do not react to anonymous calls, the concern about sanitation warranted driving past the property and photographing it. The Ottawa County Health Department was contacted to see if this was something they could or should also be involved with. They indicated they would send someone out the week of January 29th to inspect. On February 2, 2024, they indicated that an inspector had been out to the property, but the owners were not home so they left their business card and would give the owner a week to call before they send out a letter. On February 7, 2024, a certified letter was sent to the property owner regarding the junk & debris referencing ORC 505.87. The certified letter had to be resent 02.16.24 because the initial letter 02.07.24 was lost in the mail somewhere between Toledo & Detroit and never processed. On 02.22.23 the OCGH stated they have been in touch with the owner, who indicated that all the garbage is recycling products. The owner requested an extension to remove the items, but the OCHD stated that they would visit the property again on their 30-day follow-up date and see if any progress has been made. If no progress has been made, then no extension will be granted. Neither of the certified letters I have sent have cycled through the mail system yet.

185 Forest Green (*Junk & Debris/ Garbage - Lyons*)

Open

As of 02.28.24 the garbage at the front door has been removed, but there is a considerable amount of other garbage and debris in the driveway. Re-check is scheduled to take place 03.12.24.

Prior Info: Mr. Waldron shared with me that I may want to take a look at this property because they noticed during snow plowing the garbage piling up outside the front door. The property has recently been foreclosed on and is now in the bank's ownership. I've been advised that lights have been on in the house at night, so it is possible the people or person are squatting in the house until the bank formally evicts them. On February 7, 2024, a certified letter was sent to the prior property owner and bank regarding the junk & debris referencing ORC 505.87. Certified letters to the bank & last property owner were both signed for and received 02.09.24. They were given 14 days to clean-up. The former owner called 02.22.24 and stated that they set-up garbage pick up and cans were to be delivered 02.23.24. They asked for a 2-week extension to allow the garbage company two cycles of pick-up. Property will be re-checked 03.12.24.

1805 Arlington (*Junk & Debris - Holmes*)

Nothing New to Report.

Prior Info: Letter was sent April 27, 2023. Have not heard from them. Will continue to follow-up and monitor. Asked that this all be wrapped up by the end of the

summer. Drove past property 05.30.23 to see if anything more has been worked on. Doesn't appear to be. The owner of the property passed away 05.31.23. The wife is still living, but ill herself. The youngest son has been the one cleaning up the property. Will continue to monitor. Was by the property 07.11.23 and some progress has been made, just not to the piles that I'd like to see tackled on the property. Very slow going. The neighbor is doing some work on their house and has a dumpster in for that. The neighbor said once they are done with their project, they have offered to allow the Holmes' to use what space is left. On January 10, 2024, the property was inspected, and I was pleased to see that the owner has approximately 90%-95% of the property cleaned up. There is a very small area that he is still sorting and working on. After speaking with him, he intends to complete this and work on it even through the winter, but not when temperatures are below freezing and snow on the ground.

Open

The property owner is on the March 20, 2024 BZA agenda.

Prior Info: The property owner installed a carport & shed on the property and was sent a letter January 31, 2024. They were given until February 9 to get the necessary paperwork in for proper permits. The owner came into the office 02.06.24 and the buildings he installed do not meet the zoning requirements. 2170 N. Buck Road (*Breezeway Addition – Crow's Nest*)

CLOSED

Restaurant Manager submitted drawings and received necessary permit 03.07.24.

Prior Info: A letter was sent to Crow's Nest 06.29.23 for the construction of an addition/ breezeway connection from the restaurant to the pavilion out back without proper permits. The restaurant manager submitted an application while I was on vacation, but it was incomplete. He stopped in the office this past Friday, 07.22.23 and now fully understands what is needed. He stated that he will get this taken care of as fast as he can. He is likely going to need professional drawings made by an architect and have it inspected to see if it will even meet commercial building code. I asked him to keep me updated on his progress. The restaurant Manager has been in to discuss what is needed and is remaining in contact about their progression. They have been in touch with an architect and contractor to determine if what was installed will meet code and then are also working on the proper plans to submit for permits. It's not that this won't be allowed, they just need to get their permits in order properly. The manager of the restaurant claims that the Fire Chief has inspected what they did and has no objections. They were scheduling a special inspection with the Building Department as well to determine if there are any code requirements that would have to be corrected before finalizing any plans & drawings. 10.25.23 report: I have contacted the restaurant manager requesting an update on the outcome of the County's special inspection. The manager responded back and indicated he had waited 2 weeks for a response, but here to find out he sent the information to the wrong person. The interim CBO indicated they are no longer offering "Special Inspections" and he asked the girls in the officer to let the manager know that drawings need to be submitted before they proceed with any inspections.

2991 Waterside Court (*Lanai w/out permit – Bilton*)

Appellant will have the opportunity to submit a reply brief to our reply which is due in 20 days so as long as no further extensions are requested. 4-6 weeks after that, oral arguments will be scheduled. Will have to report back what those dates are once scheduled.

Prior Info: Letter sent to property owner 10.26.22 notifying them that a permit is necessary for the lanai, screened-in porch they constructed without any permits on the rear of the condo unit. The owner contacted me 11.04.22 and understands that a variance will be necessary. Paperwork has begun for them to be able to get on the December meeting agenda. Application was denied at the December BZA Meeting. The owner has retained legal counsel and is indicating they intend to proceed with an appeal with the Ottawa County Court of Common Pleas. On January 26, 2023, the property owner through their legal counsel has filed their Notice to Appeal the BZA decision to the Court of Common Pleas. Transcript has been ordered, case file and transcript must be filed with the court no later than March 7, 2023. Jeff Stopar will be handling the case for us. morning of 03.13.23. Would assume at that time a briefing scheduled will be laid out. The Attorney Conference call took place 03.13.23. The Bilton brief is due May 4, 2023. The Township response brief will be due June 8, 2023, and then their final counter brief will be due June 29, 2023. At any point, the attorneys from either side can request extensions. On May 1, 2023, the appellants and property owner requested a 14-day extension to file their brief, to now be due May 18, 2023. This will push all subsequent briefs back equally in time. A second extension was requested from the appellant's attorney and their brief was submitted to the court on May 23, 2023. The Township brief is due June 27, 2023. J. Stopar was going to request a 10-day extension for filing our brief that was due 06.27.23. Should now be due 07.07.23. J. Stopar filed the Township's Brief & Response 07.07.23. The Appellant's final brief will now be due 07.28.23. The Appellant's final brief was supposed to be due 07.28.23 but they filed another extension request to file it no later than 08.11.23. The Appellants final brief was submitted to the Court 08.08.23. Have not had a chance to touch base with J. Stopar on what the "Next Steps" are. I believe the options will be for either to request Oral Arguments or just let the briefs speak for themselves and wait for the Judge's Decision. The local, Court of Common Pleas Judge's Decision came in on November 20, 2023, affirming or upholding the BZA's decision. The homeowners had 30 days to file a further appeal with the 6th District Court of Appeals. This Appeal was filed December 8, 2023, and we will now be at the disposal of that Court's timeline on this matter. I will keep the Board abreast of what occurs. In 6th District Court of Appeals. The Appellants filed a brief January 18, 2024, and requested Oral Arguments. The Township's reply brief is due by February 5, 2024, but J. Stopar has indicated that he will likely take an automatic 10-day extension. In 6th District Court of Appeals. The Township was granted an extension to file the reply brief which is now due March 8, 2024.

Mr. Dress asked if there was any news on Danbury School sign. They will be allowed to have a wall sign, but a second electronic sign is not allowed. Ms. Dale stated no permit has been requested to date for the wall sign.
