

## WASTE OIL FURNACE FOR SALE

This waste oil furnace is located in the maintenance building recently purchased by Danbury Township. The building is located at 434 S. Bridge Rd. (SR 269 South - directly across from the Police Station).

The furnace has been declared surplus by the trustees.

We have not established a dollar amount for this item and will entertain a fair offer on a first-come, first-served basis.

You can view the unit during normal maintenance department hours by contacting Road Superintendent Brett Waldron at (419) 734-4091 to set up a time.
