RESOLUTION #04 - 2025
A RESOLUTION IN SUPPORT OF THE PASSAGE OF ISSUE 2

WHEREAS; Whereas the State Capital Improvement Program (SCIP) is a state-local government partnership program that funds local infrastructure projects in communities across Ohio and has, for nearly 40 years, provided over \$7 billion for improvements to keep Ohio's roads and bridges safe and in good condition for residents, first responders, and all motorists traveling on Ohio roadways, and to improve local wastewater treatment, water supply, and stormwater infrastructure in all 88 Ohio counties; and

WHEREAS; Whereas, the SCIP provides essential grants, loans, and loan assistance to local governments, including townships and the renewal of the SCIP will not raise taxes for Ohioans and the renewal is critical to prevent a gap in infrastructure investment, as the current authorization is set to sunset July 1, 2025 and funding for the State Capital Improvement Program relies on an amendment to Ohio's Constitution about every ten years, and has been overwhelmingly approved by voters three times since its creation in 1987 and Danbury Township has benefitted from SCIP, receiving grant funds for road infrastructure projects, which have significantly improved the quality of life and safety for Township residents; and

WHEREAS; Whereas infrastructure investment encourages economic development, creates and maintains business, contributes to public health and safety, creates construction jobs and helps keep Ohio competitive.
